I t's Official!

**We are the first Hire Company
in the UK with**

SIX APPEAL

Of all the Hire Companies in the U.K. now trading under the banner of Hire Association Europe's prestigious 

we were the first to attain it!

We are extremely proud to announce that now we are the first Hire Company in the whole of the U.K. to achieve the prestigious Safe-HIRE Certification for the sixth consecutive year.

The independent assessors carried out rigorous and detailed checks including site assessments, risk assessments, thorough equipment checks, procedural checks, adherence checks on all aspects of Health & Safety Legislation, as well as unannounced visits and test hires.

Every tool you hire from us will have been thoroughly checked every time for it's safety and compliance with U.K. standards.

You can hire from us in confidence.

We take your safety and our quality very seriously.

We were delighted to provide diggers and landscaping equipment to Upton Country Park. This equipment was required to work on the ongoing project to restore the one acre walled gardens at the beautiful Grade II listed Upton House.

The walled garden is one of the key features of the original landscape of Poole's only Country Park.

Special offer for one month only!

Congratulations to Bill Andrew who was nearest in the 'guess the number of sweets' competition at our Poole Depot. He guessed at 409 and the actual number turned out to be 402. It was a bit of fun and in the process we raised over £50 for the Children's Ward at Poole General Hospital. Thanks to everyone who took part.
